

GIMS SYLLABUS • OCTOBER 2026

Class 8 – CBSE

Physics	Chemistry	Biology	Maths	English
Electricity: magnetic and heating effects; Exploring forces; Pressure, winds, storms and cyclones	Particulate nature of matter	The invisible living world: Beyond our naked eye; Health: The ultimate treasure	Square and cube; Power play; A story of numbers; Quadrilateral; Number play; We distribute yet things multiply; Proportional reasoning	Tenses; Reported speech; Active & Passive voice; Determiners; Punctuation; Modals

Class 8 – ICSE

Physics	Chemistry	Biology	Maths	English
Matter, Physical Quantities and Measurement; Forces and Pressure; Energy; Light	Physical and chemical changes; Elements, compound and mixture; Atomic Structure; Language of Chemistry; Chemical Reaction	Transportation of food and minerals; Reproduction in plants and animals; Ecosystem; Endocrine & Adolescence	Compound Interest; Exponents and Power; Direct and direct variation; Rational numbers	Active & Passive voice; Determiners; Punctuation; Non-finites

Class 9 – CBSE

Physics	Chemistry	Biology	Maths	English
Describing motion around us; How force affect motion	Exploring mixture and their method of separation; Journey inside an atom	Cell; Tissues in action; Diversity and classification	The use of coordinates; Introduction to Linear polynomial; The world of Numbers; Exploring Algebraic identities; Circle, perimeter and area; Probability; Exploring sequence and Progression	Integrated Grammar – Determiners, tenses, modals, subject verb agreement, narration

Class 9 – ICSE

Physics	Chemistry	Biology	Maths	English
Units & Measurement; Motion; Force & Law of Motion; Fluid, Pressure & Thrust; Laws of Reflection	The Language of Chemistry; Chemical Changes and Reactions; Water; Atomic Structure and Chemical Bonding; The Periodic Table	Cell; Tissues; The flower, pollination and fertilization; Seed; Respiration in plants; Five kingdom system; Economic importance of bacteria and fungi	Rational and irrational numbers; Compound Interest; Expansions; Factorisation; Simultaneous equations; Logarithms; Triangles; Mid point theorem; Pythagoras theorem; Rectilinear figures; Perimeter and areas; Statistics	Integrated Grammar – Transformation of Sentences; Tenses; Narration; Do as Directed; Prepositions

Class 10 – CBSE

Physics	Chemistry	Biology	Maths	English
Light: reflection and refraction; The human eye and the colourful world; Electricity	Chemical reactions and equations; Metal and non metals; Acid base and Salts	Life processes; Control and Co-ordination	Real Number; Polynomials; Pair of linear equations of two variables; Quadratic equations; AP; Triangles; Coordinate geometry; Introduction to Trigonometry; Applications of Trigonometry	Integrated Grammar – Determiners, tenses, modals, subject verb agreement, narration

Class 10 – ICSE

Physics	Chemistry	Biology	Maths	English
Force and moment of force; Work, energy and power; Machines; Refraction; Lens and refraction through lens; Deviation, dispersion and spectrum; Reflection of sound; Charge, electricity and potential; Power transmission	Periodic Table; Chemical Bonding; Acids, Bases and Salts; Mole Concept and Stoichiometry; Electrolysis; Metals and Metallurgy; Study of Hydrogen Chloride; Study of Compounds (Ammonia, Nitric Acid, Sulphuric Acid)	Structure of chromosome; Cell cycle division; Genetics; Absorption by roots; Transpiration; Photosynthesis; Coordination in plants; Circulatory system; Excretory; Nervous system; Endocrine system	Commercial Mathematics; Linear Inequalities; Quadratic Equations and Word Problems; Ratio and Proportion; Factorisation; Matrices; AP; GP; Reflection; Section and Mid Point Formulas; Equation of a Line; Similarity; Loci; Circles; Trigonometry	Integrated Grammar – Transformation of Sentences; Tenses; Prepositions; Narration; Do as Directed

Class 11

Physics	Chemistry	Biology	Maths	English
Units and dimensions; Measurement; Significant figure; Error; Motion in straight lines; Motion in plane; Newton laws of motion; Work energy and Power; System of particle and rotational motion	Mole concept; Structure of atom; Periodicity; Chemical Bonding	Living world; Biological classification; Plant kingdom; Animal kingdom; Morphology of flowering plants; Structural organisation in animals; Cell; Cell cycle division; Biomolecules; Breathing and exchange of gases	Sets; Relations and functions; Trigonometric functions; Complex Numbers; Linear Inequalities; Sequences and series; Binomial Theorem; Straight Lines; Permutations and Combinations	—
